SHARED-ARTWORK PLACEMENT

FLAT PRINT FILE / NOT TO SCALE

Canvas: 240 x 260 mm (proposed)

Ivory Laterite Straw

RGB references; supplier must match physical ink/finish.

BASE	Black - confirmed by Founder
PROPOSED PRODUCT	Relaxed crew neck; 100% combed cotton; 220 GSM; sizes S-XXL. These are quote targets, not selected stock.
PLACEMENT	Centre front, top of print 80 mm below the front neck seam on the proposed M sample. Confirm size grading and print clearance. Back blank.
PROCESS TO QUOTE	Ask for a soft-hand screen-print sample and a short-run transfer alternative. Vendor to specify ivory underbase, registration and care.
SUPPLIER TO CONFIRM	Blank SKU, composition/GSM evidence, size chart, shrinkage, wash/rub result, actual print box and unit costs.
SAMPLE REQUEST	One M sample proposed, plus fabric and colour swatches. Founder to confirm size and spend.

Quote fields: supplier / blank SKU / MOQ / 25, 50 and 100-unit prices / setup / sample cost / lead time / taxes / shipping. Quote bands are not an order.

The Tasar Jhula

UTS-BG-001 | English artwork | 28 September 2026

SHARED-ARTWORK PLACEMENT

FLAT PRINT FILE / NOT TO SCALE

Canvas: 280 x 300 mm (proposed)

Sea

Laterite

RGB references; supplier must match physical ink/finish.

BASE	Natural golden Tasar silk outer - Founder-selected material; shade/sample pending
PROPOSED PRODUCT	Tasar silk outer shell; proposed cotton lining and reinforced handles. Body 380 x 420 mm, 80 mm gusset, 650 mm handles remain quote targets. Supplier to propose suitable fabric weight.
PLACEMENT	Centre front on the body. Top of print 60 mm below top hem; 50 mm side margins at the proposed body width. Reverse blank.
PROCESS TO QUOTE	Sample a sea-blue and laterite print compatible with the actual silk. Confirm ink, curing and care; no generic canvas transfer process assumed.
SUPPLIER TO CONFIRM	Tasar fibre composition, fabric provenance, separate lining/handle materials, fabric weight, seams, handle-load test, colourfastness, print rub/cleaning results and costs.
SAMPLE REQUEST	One lined, decorated sample plus unprinted silk swatch. Approve hand-feel, drape, print, reinforced stitching and load/care results before a batch.

Quote fields: supplier / blank SKU / MOQ / 25, 50 and 100-unit prices / setup / sample cost / lead time / taxes / shipping. Quote bands are not an order.

The Story Cup

UTS-CP-001 | English artwork | 28 September 2026

ILLUSTRATIVE TWO-VIEW RENDER

ILLUSTRATED WRAP / NOT TO SCALE

Canvas: 200 x 85 mm (proposed)

■ Sea ■ Laterite ■ Straw

Raster illustration: about 244 ppi at 200 x 85 mm.

BASE	Ivory body; sea-blue handle/interior - proposed
PROPOSED PRODUCT	330 ml ceramic mug; straight-sided blank preferred for the story wrap. Supplier confirms actual capacity and dimensions.
PLACEMENT	200 x 85 mm preliminary continuous illustrated wrap. Riverbank launch, sea voyage and welcoming shore flow around the cup. Prominent 72 mm wide outlined UTKAL above the central sailing scene; no narrative text. Vendor to confirm handle gap and bleed.
PROCESS TO QUOTE	Ask for full-colour ceramic transfer/decal sampling compatible with the chosen blank. This detailed illustration is raster artwork, not a three-spot-colour design.
SUPPLIER TO CONFIRM	Capacity, diameter/height, full printable template, handle clearance, glaze/decoration process, colour swatches and supported care/contact-use documentation.
SAMPLE REQUEST	One decorated sample proposed. Inspect scene continuity around the handle, fine detail, colours and prominent UTKAL wordmark and its clear space.

Quote fields: supplier / blank SKU / MOQ / 25, 50 and 100-unit prices / setup / sample cost / lead time / taxes / shipping. Quote bands are not an order.

Story source: Ministry of Culture / PIB, 6 Feb 2025, release 2100365. Maritime memory and the boat ritual are sourced; the illustrated sequence is imaginative, not a literal reconstruction.

The Utkal Water Bottle

UTS-WB-001 | Odia artwork | 28 September 2026

SHARED-ARTWORK PLACEMENT

FLAT PRINT FILE / NOT TO SCALE

Canvas: 70 x 150 mm (proposed)

Ivory Straw Laterite
RGB references; supplier must match physical ink/finish.

BASE	Matte black and Nila Sagara blue - both retained by Founder
PROPOSED PRODUCT	Premium 750 ml target: double-wall vacuum-insulated stainless steel, SS 304 inner wall, wide-mouth screw cap, integrated carry loop and replaceable seal. Supplier blank and performance remain unverified.
PLACEMENT	70 x 150 mm proposed front panel on both colours; ivory sails and Odia wordmark, laterite hull/rule, two straw waves. Refit to the selected premium blank; not a wrap.
PROCESS TO QUOTE	Ask for a multi-colour screen/transfer method compatible with the coating. Confirm smallest gaps, colour registration and abrasion durability.
SUPPLIER TO CONFIRM	Actual capacity/weight, steel grade evidence, insulation test conditions/results, leak/loop-load tests, coating abrasion, printable template, replacement seals/lids and warranty.
SAMPLE REQUEST	One decorated sample in each colour proposed. Compare cap/loop, cleaning access, seal, insulation, finish and print; Founder approves costs before ordering.

Quote fields: supplier / blank SKU / MOQ / 25, 50 and 100-unit prices / setup / sample cost / lead time / taxes / shipping. Quote bands are not an order.
